Aqua Missouri is seeking to change its water and sewer rates for all 11 of its service areas in Cole, Pettis, Greene, Benton, Taney, Christian, Stone and Barry counties.

Examples of monthly customer bills for a residential customer in the Company's Maplewood service area that uses 5,000 gallons of water a month, and a full time residential customer in the Company's White Branch service area, which has an unmetered flat rate, are set out in the table below. These example bills are based upon the Company's current rates and the rates agreed-upon by the Company and the PSC Staff that resulted from a Staff audit of the Company's books and records.

Service Area	Type of Service	Monthly Bill at Current Rates	Monthly Bill at Company & PSC Staff Agreed-Upon Rates
Maplewood	Water	\$10.20	\$15.95
Maplewood	Sewer	\$12.93	\$20.80
White Branch	Water	\$16.88	\$29.93

The rate cases in which the increased rates are being considered are currently before the Public Service Commission. The five Commissioners have not yet decided the cases.

Aqua Missouri serves approximately 385 water and sewer customers in its Maplewood service area in Pettis County near Sedalia and approximately 190 water customers in its White Branch service area in Benton County near Warsaw.
